## WHAT IS THE PARMA HAM FESTIVAL?

A great celebration, in 2011 enjoying its fourteenth edition, to get to know and try the very best Parma Ham as well as appreciating the touristic and cultural beauties of the places of origin. An occasion to visit the production areas with "Open Doors" and discover how the product is made: please see the list of ham factories below. A full calendar of events: appointments with gastronomy, entertainment and culture. Sports activities, musical evenings, initiatives for children and much, much more.
